### Chapter 7: Liquidation (\$155 filing fee plus \$39 administrative fee plus \$15 trustee surcharge)\*

- 1. Chapter 7 is designed for debtors in financial difficulty who do not have the ability to pay their existing debts.
- 2. Under Chapter 7 a trustee takes possession of all your property. You may claim certain of your property as exempt under governing law. The trustee then liquidates the property and uses the proceeds to pay your creditors according to priorities of the Bankruptcy Code.
- 3. The purpose of filing a Chapter 7 case is to obtain a discharge of your existing debts. If, however, you are found to have committed certain kinds of improper conduct described in the Bankruptcy Code, your discharge may be denied by the court, and the purpose for which you filed the bankruptcy petition will be defeated.
- 4. Even if you receive a discharge, there are some debts that are not discharged under the law. Therefore, you may still be responsible for such debts as certain taxes and student loans, alimony and support payments, criminal restitution, and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs.
- 5. Under certain circumstances you may keep property that you have purchased subject to a valid security interest. Your attorney can explain the options that are available to you.

### Chapter 13: Repayment of All or Part of the Debts of an Individual with Regular Income (\$155 filing fee plus \$39 administrative fee)\*

- 1. Chapter 13 is designed for individuals with regular income who are temporarily unable to pay their debts but would like to pay them in installments over a period of time. You are only eligible for Chapter 13 if your debts do not exceed certain dollar amounts set forth in the Bankruptcy Code.
- 2. Under Chapter 13 you must file a plan with the court to repay your creditors all or part of the money that you owe them. using your future earnings. Usually the period allowed by the court to repay your debts is three years, but not more than five years. Your plan must be approved by the court before it can take effect.
- 3. Under Chapter 13, unlike Chapter 7, you may keep all your property, both exempt and non-exempt, as long as you continue to make payments under the plan.
- 4. After completion of payments under your plan, your debts are discharged except alimony and support payments, student loans, certain debts including criminal fines and restitution and debts for death or personal injury caused by driving while intoxicated from alcohol or drugs, and long term secured obligations.

### Chapter 11: Reorganization (\$800 filing fee plus \$39 administrative fee)\*

Chapter 11 is designed primarily for the reorganization of a business but is also available to consumer debtors. Its provisions are quite complicated, and any decision for an individual to file a Chapter 11 petition should be reviewed with an attorney.

### Chapter 12: Family Farmer (\$200 filing fee plus \$39 administrative fee)\*

Chapter 12 is designed to permit family farmers to repay their debts over a period of time from future earnings and is in many ways similar to a Chapter 13. The eligibility requirements are restrictive, limiting its use to those who income arises primarily from a family owned farm.

\* Fees are subject to change and should be confirmed before filing.

## RIGHTS AND RESPONSIBILITIES AGREEMENT BETWEEN CHAFTER 13 DEBTORS AND THEIR ATTORNEYS (Model Retention Agreement)

Chapter 13 gives debtors important rights, such as the right to keep property that could otherwise be lost through repossession or foreclosure—but Chapter 13 also puts burdens on debtors, such as the burden of making complete and truthful disclosures of their financial situation. It is important for debtors who file a Chapter 13 bankruptcy case to understand their rights and responsibilities in bankruptcy. In this connection, the advice of an attorney is often crucial. Debtors are entitled to expect certain services to be performed by their attorneys, but again, debtors have responsibilities to their attorneys also. In order to assure that debtors and their attorneys understand their rights and responsibilities in the Chapter 13 process, the judges of the Bankruptcy Court for the Northern District of Illinois have approved the following agreement, setting out the rights and responsibilities of both debtors in Chapter 13 and their attorneys. By signing this agreement, debtors and their attorneys accept these responsibilities.

### BEFORE THE CASE IS FILED

### THE DEBTOR AGREES TO:

- Discuss with the attorney the debtor's objectives in filing the case.
- Provide the attorney with full, accurate and timely information, financial and otherwise, including properly documented proof of income.

### THE ATTORNEY AGREES TO:

Chapter 7 case, discuss both procedures (as well as non-bankruptcy options) with the debtor, and answer the debtor's questions.

- 2. Personally explain to the debtor that the attorney is being engaged to represent the debtor on all matters arising in the case, as required by Local Bankruptcy rule and explain how and when the attorney's fees and the trustee's fees are determined and paid.
- 3. Personally review with the debtor and sign the completed petition, plan, statements, and schedules, as well as all amendments thereto, whether filed with the petition or later. (The schedules may be initially prepared with the help of clerical or paralegal staff of the attorney's office, but personal attention of the attorney is required for the review and signing.)

- 4. Timely prepare and file the debtor's petition, plan, statements, and schedules
- 5. Explain to the debtor how, when, and where to make all necessary payments, including both payments that must be made directly to creditors and payments that must be made to the Chapter 13 trustee, with particular attention to housing and vehicle payments.
- Advise the debtor of the need to maintain appropriate insurance.

### AFTER THE CASE IS FILED

### THE DEBTOR AGREES TO:

- Make the required payments to the trustee and to whatever creditors are being paid directly, or, if required payments cannot be made, to notify the attorney immediately.
- 2. Appear punctually at the meeting of creditors (also called the "341 meeting") with recent proof of income and a picture identification card. (If the identification card does not include the debtor's social security number, the debtor will also bring to the meeting a social security card.) The debtor must be present in time for check-in and when the case is called for the actual examination.
- 3. Notify the attorney of any change in the debtor's address or telephone number.
- Inform the attorney of any wage gamishments or liens or levies on assets that occur or continue after the filing of the case.
- Contact the attorney immediately if the debtor loses employment, has a significant change in income, or experiences any other significant change in financial situation (such as serious illness, lottery winnings, or an inheritance).
- 6. Notify the attorney if the debtor is sued or wishes to file a lawsuit (including divorce).
- Inform the attorney if any tax refunds to which the debtor is entitled are seized or not received when due from the IRS or Illinois Department of Revenue.
- Contact the attorney before buying, refinancing, or selling real property, and before entering into any loan agreement.

### THE ATTORNEY AGREES TO

- Advise the debtor of the requirement to attend the meeting of creditors, and notify the debtor

- Inform the debtor that the debtor must be punctual and, in the case of a joint filing, that both spouses must appear at the same meeting.

### Retail Value

\$10,385

The Kelley Blue Book Suggested Retail Value represents the amount an auto dealer might ask for a specific vehicle. The Suggested Retail Value is a starting point for negotiation therefore the actual sale price will vary. Popularity, condition, warranty, color and local market conditions will be factors involved in determining a final price. This retail value is not a trade-in or private party value.

This Suggested Retail Value assumes that the vehicle has been fully reconditioned and has a clean title history. The Suggested Retail Value also allows for advertising, sale commissions, insurance and other costs of doing business as a dealer. Most vehicles being offered at this price have passed an inspection and some may carry a warranty.
